

Rooted in Herat. Connected to the world.

Herat International Conference

Sponsorship package - draft for discussion

Date and venue to be confirmed

A planned platform for research, enterprise and international perspectives on Afghanistan's development.

Convened by ISRAND

Ibn-e-Sina Research and Development Organization

Planning document only. Scope, contributions, benefits, speakers, partners and attendance are unconfirmed and subject to agreement. No audience size, media reach or commercial outcome is guaranteed.

Support a platform for connection.

The proposed conference aims to connect Afghan professionals, diaspora networks and international counterparts around shared development questions and potential areas for cooperation.

Knowledge exchange

Research, practical experience and local priorities in one conversation.

Relevant visibility

Recognition in agreed conference communications and materials.

Placement, timing and permissions will be agreed individually.

Purposeful engagement

Explore connections across research, enterprise and development.

Introductions, attendance and follow-up opportunities are not guaranteed.

PLANNING SNAPSHOT

Location: Herat, Afghanistan (planned)

Date / exact venue: to be confirmed

Participants / organisations / countries: to be confirmed

Programme / speakers / external partners: to be confirmed

Find the right contribution.

Lead Partner

Broad support for the proposed conference.

Discuss prominent recognition and a tailored scope of support.

Contribution: to be agreed. All benefits are proposals.

Program Partner

Support an agreed theme or conference activity.

Discuss recognition linked to that activity and defined deliverables.

Contribution: to be agreed. All benefits are proposals.

Supporting Partner

Contribute funding, expertise or practical resources.

Discuss appropriate acknowledgement and a clear contribution.

Contribution: to be agreed. All benefits are proposals.

NEXT STEPS

1. Share your organisation, priorities and proposed contribution.
2. Discuss a suitable scope, deliverables and recognition.
3. Confirm terms and permissions in writing before announcement.
